**SUPPLEMENT TO AMENDMENT OF FEBRUARY 17, 2005**

Sir:

After the fax submission of the "Amendment" on February 17, 2005 (responsive to the Office Action mailed November 17, 2004), it was realized that the "Declaration under Rule 131" that was submitted with the Amendment may not have included Exhibits A, B, and C that were referred to in the "Declaration".

Submitted with this paper are Exhibits A, B, and C (each comprising a single page) that are referenced in the Declaration.

The undersigned states that this omission was inadvertent and the Amendment and accompanying Declaration were submitted in a bona fide attempt to respond to the Office Action of November 17, 2004. It is believed that submission of the Amendment without the Exhibits would typically result in a "Notice of Non-compliant Amendment" or the

Appln. No. 09/919,556  
Amendment dated February 18, 2005  
Reply to Office Action mailed November 17, 2004

equivalent, and it is hoped that this submission will obviate the need for sending such a Notice.

In the event that a one month extension of the time period for response is necessary to consider the Exhibits, the Commissioner is authorized to charge that fee to Deposit Account No. 50-3041 (Leonard & Proehl, Prof.L.L.C.), although it is believed that the Amendment and Declaration that was timely submitted constituted a "bona fide attempt" to respond and therefore no extension of the time period for response will be necessary.

In light of the foregoing, early reconsideration and allowance of this application are most courteously solicited.

Respectfully submitted,

LEONARD & PROEHL, Prof. L.L.C.
